To Whom It May Concern:

For the past 30+ years the Leon High School Girls Soccer Program has existed to provide student athletes an opportunity to compete at the highest level, while creating opportunities to grow as an individual and athlete. In order for our season to be a success we need support from community partners like you.

The Leon High School Girls Soccer Program fundraising drive for the 2022-2023 school year is currently underway. Public school athletic booster clubs depend solely on donations by parents and community partners and supplement the school's normal operating budget. Funding helps to purchase athletic equipment, uniforms and team travel expenses. Participation in organized sports at the high school level has many benefits such as the development of leadership and teamwork skills, reduction in the risk of obesity, promotion of goal setting, strategic thinking, self-esteem, and the pursuit of excellence.

Full Sponsorships are \$500.00 and include:

1. Business logo on a team banner that is displayed at every home game.
2. Full page ad in the Lady Lions program for home games
3. Your business logo on the Leon Girls Soccer website with link to your site ([leongirlsfutbol.com](http://leongirlsfutbol.com))
4. Your business name will be announced at every home game
5. Social media recognition

We also offer several other levels of sponsorship which can be found on our Sponsorship Contract (attached.)

All donations are tax-deductible, and a receipt will be issued for each contribution. Checks can be made payable to: Leon High School Girls Soccer Boosters.
